DETAILED ACTION

Allowable Subject Matter

1. Claims 1 – 28 are allowed.

The following is an examiner's statement of reasons for allowance:

- Regarding independent claims 1, 15, 19, 23, 25 and 28, the examiner's statement of reasons for allowance was discussed in the previous Office Action mailed on March 10, 2005;
- With respect to claims 22 and 24, the references of the Prior Art of record fail to teach, or suggest any obvious combination comprising the limitations of a body having a rim, a wall adjoining the rim, and an opening therein, the stethoscope head being received in the opening, the rim being larger than the stethoscope head, the body positioned on the stethoscope head such that the reflex hammer does not interfere with the stethoscope head operational surface; and a semi-rigid handle receiving the connecting means therein, the handle not being joined to the body; or a handle sized to semi-rigidly receive the connecting means therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
